Dear Customer:

Our records indicate the above referenced application approval will expire within the next 30 days. According to the 2014 Oregon Residential Specialty Code, an application for a permit for any proposed work shall be deemed to have been abandoned 180 days after the date of filing unless such application has been pursued in good faith or a permit has been issued; except that the building official is authorized to grant one or more extensions of time for additional periods not exceeding 180 days each. The extension shall be requested in writing and justifiable cause demonstrated.

Please respond within 30 days from the date of this letter by picking up your permit and paying the amount due or submit in writing a request for an extension showing circumstances that prevent you from picking up the permit. If this application is allowed to expire and if you decide to build in the future, you will need to re-apply for a new permit.

If you have any questions, please contact the City of Philomath Building Department at 541-929-6148.

Sincerely,

Ronald P. Dettrich
Building Official
